Date: _____

Well Owner Name: _____

Well located at: _____

Subject: Acknowledgement of Subsidence District Regulatory Requirements

The purpose of this acknowledgement is to provide water well owners and/or landowners with notice that their use of groundwater from their existing or proposed well may be restricted in the future in accordance with regulations of the Fort Bend Subsidence District.

Please review the following statements summarizing key elements of the District's 2003 Regulatory Plan and then sign the statement acknowledging your receipt of this notice. Additional information regarding the regulatory requirements of the Subsidence District may be obtained at www.fbsubsidence.org.

Wells Located in Regulatory Area A

Groundwater withdrawals for each permittee must comprise no more than 40% of the permittee's total water demand beginning January 1, 2014.

Wells Located in Regulatory Area R

Groundwater withdrawals for each permittee must comprise no more than 40% of the permittee's total water demand beginning January 1, 2016.

Acknowledgement: I understand that I may be required after the dates shown above to reduce my use of groundwater from my well in accordance with Subsidence District rules.

Signature: _____
